ABOLISH THIS JOB

The Department of Public Service Is an Unnecessary Hardship on the Taxpayers.

The city department of public service should be abolished. It is an unnecessary nest of sinecures.

The biggest sinecure in it is the job of commissioner. A visit to his office may disclose this fact.

This department cost the weary taxpayers of Chicago, \$76,910 last year.

It pretends to receive, investigate and adjust complaints regarding service, rates, products and other matters relating to the health, comfort, convenience or safety of the public as affected by public utilities.

Let us laugh. Everybody knows what a joke this department is and how little it does.
